

Sacred Hare

Group exhibition featuring work of seven artists

This exhibition is the expression of seven well known artists who have journeyed with, and been inspired by, the hare.

Artists: Tamsin Abbott, Wendy Andrew, Phil Holmes, Glennie Kindred, Yve Sturgeon, Steff Swayne-Shaw and Hannah Willow.

The artists, working in various media, have described this beautiful, ancient-symbolic animal in paint, clay, glass, silver, wood and words. A stunning combination of styles and elements that offer a multi-faceted insight into the sacred nature of the much loved hare.
